

COSTA

The drawing includes the following views and dimensions:

- Front View (Top):** Shows a long, narrow fixture with 10 rectangular light modules. Dimensions include a total width of 110, a module width of 50, and a mounting hole diameter of 4x1/2".
- Side View (Middle):** Shows the profile of the fixture with a height of 35 and a mounting bracket width of 40. The total length is labeled as A2.
- Detail View (Bottom):** A close-up of the mounting bracket showing a 2x1/2" hole and a 40x91 dimension.
- Isometric View (Right):** A 3D perspective of the fixture showing its depth and the arrangement of the light modules.
- Sectional View (Left):** A cross-section of the fixture showing the internal components and the air vent.
